TUEWAS Climate Change Mitigation Working Group

Minutes of the Annual Meeting

Bangkok, 29/30 November 2016

Introduction to the CCM WG

INDCs

International financing mechanisms

Co-benefits

Technology transfer

Market mechanisms (trading schemes, CDM, ITMO)

Climate change mitigation

Private sector investments

Cross-sectoral cooperation

Climate finance

REDD+

Sustainable development

NAMAs

Mission: The TUEWAS CCM Working Group

- ... acts as a knowledge platform for GIZ advisors in Asia on INDC, LEDS and NAMAs, related policies and market mechanisms.
- ... supports GIZ advisory services on climate finance options.
- ... mainstreams climate mitigation strategies and approaches into the work of GIZ.
- ... establishes a comprehensive knowledge platform for the WG at GC21.

Mode of work

- Regular meetings: 12+ active members, 100+ mailing list
- E-mail updates
- WG tele conferences; on-demand for specific topics
- GC21 interaction

Past meetings

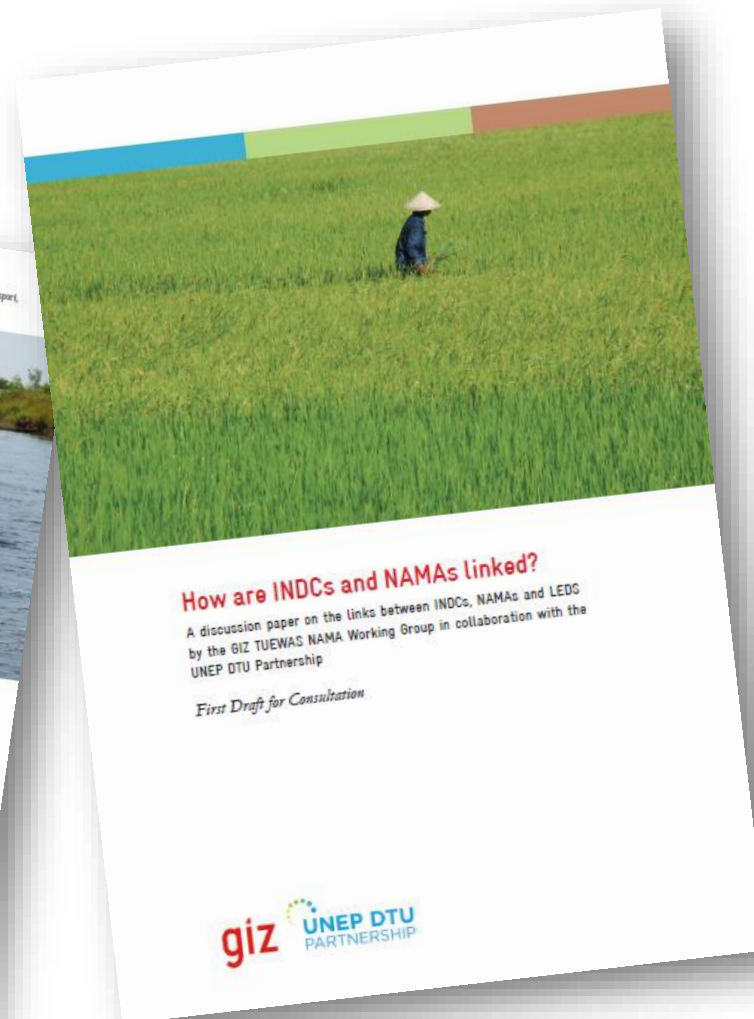

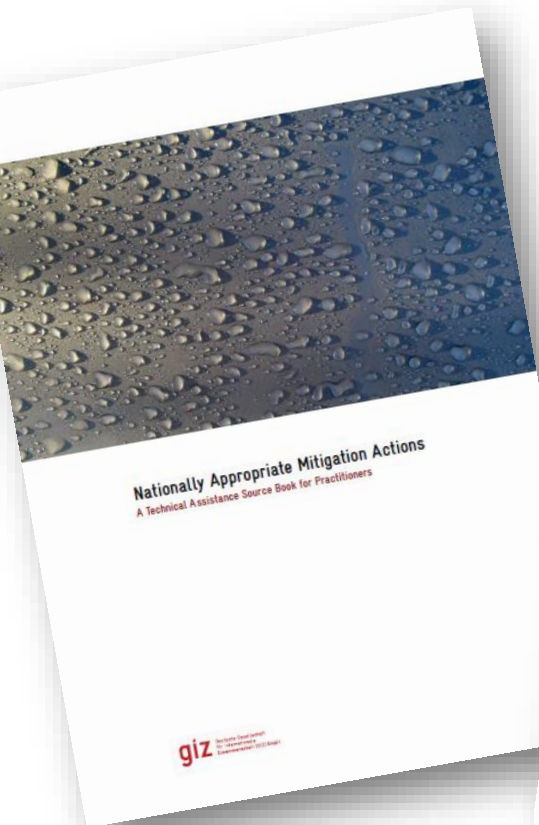

- FATA, August 2016
- TUEWAS Conference, May 2016
- WG meet, November 2015

DMS folder

- Access to the DMS folder of the WG, material, presentations, minutes and further relevant documents of the WG can be found [here](#)

Past milestones

Proceedings of this year's annual WG meeting

Overview *Detailed Minutes to be accessed [here](#).*

- Back-to-back with ‘Regional Stakeholder Dialogue on Climate Change Mitigation Policies and Actions’
- Possibility to join the broadcast session through Skype for Business
- Inga gave a presentation from HQ, Eliza Northrop from WRI called in from the US
- Participants welcomed the renaming of the WG to Climate Change Mitigation
- The group was informed that we are urgently looking for a deputy speaker for the WG

TUEWAS related news

- Knowledge Innovation Fund: annually EUR 5000 available for developing new products, e.g. consulting, for each WG
- SN will develop a website for external and internal use; new factsheets for the TUEWAS SN and each WG have been prepared

16.00	Conclusion and next steps > <i>Tobias Dorr</i>	

Decisions

- It was decided that the search for a **deputy speaker** shall be announced via email and nominations can be submitted until 31 December 2016.
- It was decided that in due course the following **WG-interna should be revised**: mission statement, fact sheet, banner, mailing list.
- It was decided that the **EUR 5.000 from the TUEWAS Knowledge Innovation Fund** shall be used effectively in the WG. Suggestions are welcome, one first idea was to invest 1-2 days of work in improving the Climate Change Expert Pool format.
- **Activities and work packages**
 - Please see the log frame for details
 - All WG members are encouraged to join and lead activities
- It was decided that we shall offer a **virtual WG meeting via Skype for Business** in spring 2017.
